Preamble

Since 1952 Vidya Bharati has been playing a very important role in the education sector of the country in promoting Bharat-centric education by enlightening the students, inculcating in them cultural and moral values and social consciousness for building a competent generation for the nation and society. It is committed to reconstructing and developing a strong, harmonious, cultural and prosperous nation on the basis of developing the national educational system. The programmes and activities of Vidya Bharati are society-based and society-nurtured with a resolve to build the complete personality of students by imparting the knowledge, skills and impetus in the students on the basis of Indian education philosophy. Vidya Bharati has been running Saraswati Shishu Vatikas, Saraswati Shishu Mandirs and Saraswati Vidya Mandirs (Secondary and Senior Secondary Schools). There are 25 Teacher's Training Colleges for producing skilled and efficient teachers. Apart from this, Vidya Bharati is also working in the field of higher education with 40 degree colleges associated with it. The work has gained wide acceptance in the society. Vidya Bharati Uchcha Shiksha Sansthan has been established to realise the aspirations of quality education in higher education along with inculcating in students the sense of the Bhartiya life values. There is a dire need to work towards bringing a positive change by establishing contact, dialogue and co-ordination with institutions in the field of higher education. Thus, Vidya Bharati strives to create centres of excellence in higher education which would be marked with combination of ancient and modern, traditional and non-conventional, oriental and occidental knowledge.

Vision Statement

To create and develop a competent, efficient, resolute and perseverant generation of good character, full of patriotism, social service and possessing global vision. This new generation will be committed to developing a harmonious, prosperous, well cultured and accomplished society. They will augment the process of nation building, excel in creativity and develop life-vision, thinking skills, social skills, scientific attitude, creative aptitude and efficiency. Imbued with behavioral skills of contemporary relevance this youth so trained in the tradition of Bharatiya Education philosophy and life-values shall lay the foundation of a strong and prosperous nation.

Mission

To establish a continuous and intensive rapport and dialogue with higher education institutes run by the Government as well as societies and trusts and to co-operate them in their endeavour to develop the capabilities of all the stakeholders. To develop teaching and learning materials with an eternal and holistic approach, to conduct research projects related to it, to build up and develop experts, professors and trainers in different courses and to develop multi-faceted programmes for students, teachers and management.

OUR SOURCE OF INSPIRATION

VIDYA BHARATI has been working for over 65 years and has presented to the society a model of secondary school education based on the Indian life-values. Its work and programmes have gained social acceptability and credibility. Millions of students trained in the schools run by Vidya Bharti are contributing a lot to the process of nation building.

We strive for excellence in the area of higher education through Vidya Bharati Uchcha Shiksha Sansthan (VBUSS) established formally in 2018. All of us, as individuals or institutions, should make an endeavour together to pursue the common goal of imparting quality education to the students of the country. It's a matter of pleasure that this commitment has been highlighted in the National Education Policy 2020 which presents the road map to achieve excellence in Bharat-centric education. Let us all join and work together for such a sacrosanct opportunity and common objectives.

Together we will try to transform our institutions into such temples of higher education as are dedicated to research and training through disciplined and knowledgeable ideal teachers. We are to create a knowledge society whose foundation rest upon a well-developed higher education system involving innovative curriculum, pedagogy and simultaneously grounded in ancient educational tradition of our beloved nation. Let us provide an excellent teaching learning environment to our students by developing the required knowledge system in science, technology and other relevant areas enabling them to be creative, self-esteemed and efficient young men and women for building up a great, self-reliant and self-dependent Bharat.

FEATURES

- To work with earnestness to achieve quality based higher education together with all institutions working in this sphere.
- To lay emphasis on innovation and the use of technology corresponding to the needs and demand of 21st century.
- To support and protect the self-governance of institutions and to strengthen the autonomy and the feeling of responsibility as Vidya Bharati has stood for it in the field of higher education since its inception.
- To constitute, college clusters (Shaikshik Samooh) and to develop resource rich and reputed institutions which shall be relatively organised. Such clusters of colleges shall inter-se collaborate on the basis of reciprocity. Such centers will determine some activities and programmes collectively.
- To establish rapport, interaction and co-ordination with all such colleges/institutions of Shaishik Samooh so as to create and develop a collaborative, positive and creative environment.
- There are three categories of institutions Associated with VBUSS :
 - (i) **Associated Institutions:** Vidya Bharati or like-minded higher education institutes.
 - (ii) **Contact Institutions:** Vidya Bharati or like-minded higher education institutes.
 - (iii) **Friendly Institutions:** Such higher education institutions imparting quality education and having an optimal status, good reputation and efficacy in the society.
- All the institutions/colleges of above categories shall act as fellow travellers and shall be co-operative with each another and each of such institutions/units will be significant and independent and shall co-operate in achieving quality education.
- Every Associated/Contact/Friendly institution will be responsible to bear social responsibility and to establish quality, transparency, credibility and authenticity in the field of higher education.
- VBUSS is committed to play the role of an integrator in the specialised and harmonious educational family.
- To create an atmosphere of motivation to develop specific and gifted talents and to encourage and collaborate research works.
- To develop the skills and efficiency of management in higher education institutes.
- To co-operate in creating a developed and knowledge-based society.
- To generate and develop facilities/infrastructure for e-learning and distance learning.
- To implement the programme 'earn while you learn' in colleges.
- To focus on value education.

ACTION PLAN

- To associate with like-minded institutions agreeing with the aims and objectives of Vidya Bharati Uchcha Shiksha Sansthan (VBUSS).
- To establish a seamless communication, co-ordination and co-operation with the associated institutions.
- To assist in the development of institutions on the basis of mutual support through clusters of college in a given geographical area.
- To identify innovative and qualitative prestigious institutions and to share ideas of such institutions with other institutions.
- To review the prevalent syllabi, text and reference books and programmes and to suggest to concerned Government agencies and also help in carving syllabi and curriculum.
- To extend co-operation and to exchange experiences with educational institutes, regulatory bodies and other relevant organizations.
- To create public awareness about the problems and challenges faced by people at large relating to social, national and international issues/aspects and to develop sense of responsibility.
- To develop awareness about the norms and measures of evaluation and accreditation of educational institutions and co-operate with those institutes in achieving them.
- To encourage interdisciplinary research focusing on local, national and global needs.
- To select the subjects/projects of research for developing integrated approach of knowledge and to publish research outcomes.
- To develop various research institutes.
- To give proper place to Bhartiya knowledge system and tradition in the field of research.
- To establish a rapport with the educational institutes/universities having global benchmark and to exchange their experiences with Indian institutions.
- To encourage the use of technology in teaching learning, study, management, research etc. and to make specific efforts to ensure easy availability of technology in remote areas.
- To publish journals and literature of various disciplines. To organize seminars, webinars, workshops and conferences etc.
- To co-operate in planning and implementation of the activities related to skill development.
- To constitute expert groups to advise, guide and support higher education institutes.
- To study up to date information about issues, rules and regulation, direction related to higher education and communicate them to the institutions.
- To deliberate with academicians, teachers and thinkers on important contemporary issues and works.
- To co-operate with institutions in making action-plan for implementation of multilingual development.
- To activate the management to bring about good governance in higher education.
- To develop concern about nation and society in all stake holders.
