Department of Higher Education Government of Uttarakhand & Doon University

Background

In the rapidly evolving landscape of education, institutions play a pivotal role in shaping the future of a nation. India, with its aspirations to become a global knowledge hub, needs its educational leaders to be visionaries who can drive institutional growth while addressing pressing societal needs.

The National Summit for Institutional Leaders (NSIL2025) aims to create a transformative dialogue platform, bringing together the brightest minds from higher education to deliberate on strategies for fostering innovation, collaboration, and sustainability.

This summit will align with the national vision of **Aatmanirbhar Bharat**, contributing to India's journey as a global leader in education, research, and community development.

Objectives of the NSIL 2025

The NSIL is designed with the following objectives:

- 1 Collaboration for Institutional Development:** Explore partnerships among educational institutions to collectively enhance their developmental capabilities.
- 2 Creating Synergy:** Leverage collective strengths to craft a cohesive roadmap for national development through education.
- 3 Addressing Shared Challenges:** Foster meaningful dialogues to tackle common issues and concerns in the education sector.
- 4 Holistic Development:** Identify avenues for collective efforts aimed at achieving a sustainable and impactful national goal.
- 5 Networking and Engagement:** Establish a network of like-minded institutions and leaders to maintain short- and long-term dialogues for sustained progress.
- 6 Realigning Institutional Mandates:** Reimagine institutional roles in alignment with societal and community needs.

Participants

The summit will invite founders, chancellors, vice-chancellors, directors, principals, and senior management from public, private universities and autonomous institutes that resonate with the ideals of quality education and a commitment to positioning India as a global knowledge society. Participation will be exclusively by invitation.

Sub - Themes for Discussion

1. Accelerating Innovation Through Strategic Partnerships
2. Experimentation and Innovation in Higher Education
3. Building Campus-Community Synergy
4. Navigating the Future: Institutions in the Age of Disruption
5. Vibrant and Sustainable Campuses

Structure of the Summit

The summit will feature a mix of:

- **Keynote Speeches:** Insights from eminent national and international thought leaders.
- **Panel Discussions:** Thematic deliberations on pressing issues in higher education.
- **Breakout Sessions:** Interactive sessions for in-depth exploration of specific themes.
- **Networking Opportunities:** Informal settings to foster connections among participants.
- **Actionable Workshops:** Hands-on sessions to create actionable plans for institutional growth.
- **Case Study Presentation:** Presentations by HEI leaders on their time tested best practices.

Desired Outcomes

The summit envisions:

- A *declaration* of commitment to fostering stronger inter-institutional conversations.
- A well-defined *roadmap* for integrating education into the national development agenda.
- Strengthening *networks* among institutional leaders to sustain ongoing dialogues and collaborations.
- Tangible *recommendations* to policymakers for enhancing institutional contributions to India's growth.
- The outcomes of NSIL 2025 will be documented and presented in the form of a *publication*. This publication will capture key insights, strategies, and collaborative solutions discussed during the summit.
